# HOW TO GET A GIRLFRIEND (I WANNA GET TO KNOW YOU)

**BY MR SONGWRITER**

I wanna get to know you.

I wanna Get to know you

I wanna get to know you.

Your always on my mind.

I wanna to get to know you.

I wanna get to know you.

I wanna get to know you.

I wanted someone to hold me tight at night.

I thought of the first day she came in my life.

I dreamed about her for many days and more.

Then came the glory day, she walked in my door.

I've always wanted someone to have and to hold.

I pray to God each and every day when I awake up.

I hope that I will be the one to make her love me.

If you feel the same way girl, then won't you come with me?

(chorus)

I wanna get to know you. I wanna Get to know you

I wanna get to know you.

Your always on my mind everyday

I wanna to get to know you.

I wanna get to know you.

I wanna get to know you.

I wanna get to know you.

I wanna get to know you. when you wake up in the morning and the daytime.

I wanna get to know the way you walk, the look inside your eye.

I wanna to get to know your dreams and your personality.

I wanna feel the warmth inside when you are near me

After a while of crying all night long, I began to believe someday I could hold you in my arms.

Since that first day you walked into my life, I've always wanted you right here by my side, to hold

me tight at night.

2 of 2

(chorus)

I wanna get to know you.

I wanna get to know you. You always on my mind everyday

I wanna to get to know you.

I wanna get to know you.

I wanna get to know you.

I wanna get to know how you feel at night!

I wanna get to know you.

I wanna get to know the dreams in your mind!

I wanna get to know you.

I wanna get to know your look and personality!

I wanna get to know you.

I wanna get to know you.

I wanna get to know you.

I wanna get to know you!

I want to get to know you.

I wanna get to know you!

I wanna get to know you!

I wanna get to know you.

I wanna get, I wannat get to know you

I wanna get to know you.

I wanna get to know you. Your always on my mind everyday

I wanna to get to know you.

I wanna get to know you.

I wanna get to know you.`
